

Shake & Use Oil to Milk Cleanser

M22 016

This oil-based formula turns into a milky cleanser, that removes make-up without causing dryness and irritation, leaving it soft and velvety. **Capryl/Lauryl Wheat Bran/Straw Glycosides** gently cleanses the skin without leaving a greasy feeling. The combination of **Polyglyceryl-4 Isostearate** and **Polyglyceryl-3 Polyricinoleate** acts as a co-emulsifier, transforming the oil into a creamy milk that is easier to rinse off with water and remove residues.
