

# CERTIFICATE

## FSSC 22000

Certification scheme for food safety systems including ISO 22000:2005, ISO 22002-1:2009 and additional FSSC 22000 requirements

DEKRA Certification GmbH hereby certifies that the organization

### Stockmeier Food GmbH & Co. KG

#### Product category according to ISO/TS 22003:

K: Production of (bio)chemicals

#### Scope of certification:

Development and production of flavors,  
Contract manufacturing of liquid and powdered blends

#### Certified location:

D-32051 Herford, Zeppelinstraße 7

has installed a food safety management system corresponding to the aforementioned Standard on the base of the FSSC 22000 certification scheme, version 4.1, published July, 2017 and makes effective use of it. The certification system consists of a minimum annual audit of the food safety management systems and a minimum annual verification of the PRP elements and additional requirements as included in the scheme and the ISO 22002-1:2009. The proof was provided within the framework of the Certification Audit Report No. A17011151.
